

NAIT XS 3

Overview

In the six years since the last NAIT integrated amplifiers were released, Naim Audio's research and development team have worked on a range of amplifier improvements.

The NAIT XS 3 has received significant performance upgrades, including a built-in phono stage, making it a perfect partner for turntables, as well as for streamers, CD players, or any other music source people want to enjoy with the

signature Naim sound. The NAIT XS 3 offers much of the performance of our reference quality SUPERNAIT 3 in a simpler, slimmer package combining a 70W power amplifier with five analogue inputs plus a phono stage. Its high performance preamplifier stage is as transparent as you would expect from a Naim Audio amplifier, and it also shares the single-ended class-A headphone output of its larger sibling.

With Naim's typical obsessive attention to detail – all in service of achieving the most authentic musical performance – the NAIT XS 3 also benefits from the following features:

- Alps Blue Velvet volume control
- Reed relay input selection
- Ceramic insulators for the power transistors
- Galvanically isolated microprocessor control section
- Microphonic-isolating PCB mounts

Product Specs

Audio Inputs	Suitable for 2V sources (0.5 to 5.0V)
Input Sensitivity	130mV
Analogue Inputs	5 (Analogue line level) + mm phono
Audio Outputs	
Line outputs fixed (level)	AV (DIN), Stream (DIN) 130mV, 600 ohms
Line outputs variable (level)	Pre-amp (DIN), sub (RCA pair) 775mV, <50 ohms
Power Outputs	+24V for Naim phono amplifier
Headphone Outputs	1/4 inch (6.35mm) TRS Socket
Speaker Outputs	
Power Output	70W per channel into 8 ohms, 100W per channel into 4 ohms
Connectivity	
Remote Control	Infra-Red (RC5)
Remote Input	1 × 3.5mm jack on rear
Updates	1 x USB mini-B
User Control Interface	
Front Panel	Volume control and front panel buttons
Power	
Mains Supply	100V, 115V, 230V; 50 or 60Hz
Power Consumption (quiescent)	16VA
Power Consumption (maximum)	350VA
Physical	
Dimensions	70mm x 432mm x 314mm (H x W x D)
Weight	8.4kg
Supplied with	NARCOM-5 remote control
