

From West: M4 JUNC 47

Head for City Centre, it is one long straight road that will take you all the way to our store or to the High Street Railway Station Multi Storey Car Park signposted A483. Once at the Railway Station you can turn left at the traffic lights at the entrance to the Station to take you into the Car Park, or alternatively carry straight on down High Street and try and get into a 1hr parking space if it's a quick visit. The store is approx 200yds from the Station on the right hand side just before the next set of traffic lights.

From East: M4 JUNC 42

Exit at Junc 42 and use A483 Fabian Way, as you approach the town centre (with tower blocks in the distance) you will take a right turn at a set of traffic lights signposted "LLANELLI A483, PARC TAWA A4067" then follow signs to the railway station and city centre.

To use NCP CAR PARK on Orchard Street:

At the Railway Station Traffic Lights, take the right hand turn, then the first left (which is almost immediate). This takes you onto Orchard Street where the NCP and entrance are clear.

To get to the store: From the entrance of the NCP, directly opposite you will see the Wild Swan restaurant with a small lane adjacent to it. Walk through the lane and you will see a bus stop at the end of the lane -you are directly at our front entrance!
